

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at 502 N. 4th St, Boise, ID until **2:00 PM**, local time on **April 13, 2010**, for DPW Project **06063** Replace Domestic H2O Well #3, Idaho State Correctional Institution (ISCI), Idaho Department of Corrections, Boise, Idaho.

A description of the work of this project can be summarized to include drilling, constructing, and potential development of a new potable water well (ISCI Supply Well #3-B using the direct mud-rotary method, which is required. The project is located at the Idaho State Correctional Institute (ISCI), adjacent to the existing water tower, approximately 7 miles south of Interstate 84 on Pleasant Valley Road, Boise, Idaho.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:

Division of Public Works, 502 N. 4th St., Boise, ID, 83702 (208) 332-1900
Hydro Logic, Inc., 1002 W. Franklin St., Boise, Idaho 83702, (208) 342-8369
The Idaho Plan Room, c/o Blueprints Plus, 4082 Chinden Blvd., Boise, ID 83714
Associated General Contractors, 1649 W. Shoreline Dr., Boise, Idaho 83702

Refer questions regarding the project to Ed Squires with Hydro Logic, Inc. at (208) 342-8369

There will be a Pre-Bid Conference on **March 25, 2010**, beginning at **9:30 AM** at the South Idaho Correctional Institution. Meet at the base of the elevated water reservoir near the center of the facility. This is easily found and we will arrange for security clearance at the time of the meeting. Drive straight to the tank from the main ISCI entrance and be sure to have a valid identification card. Bidders are strongly encouraged to attend.

One set of documents may be obtained by licensed well driller contractor from the Hydrogeologist for a refundable deposit of **\$25.00**. A compact disc (CD) containing electronic copies of the documents in PDF format may be obtained at cost (non-refundable). Others may obtain documents at cost, non-refundable.

A bid bond in the amount of 5% of the total bid amount, including any add alternates, is required. A Public Works Contractor's License and a Well Driller's License for the State of Idaho is required to bid on this work.

Estimated Cost: **\$375,000.00**

Jan Frew, Deputy Administrator, Division of Public Works
